**THE EASTRIDGE GROUP OF STAFFING COMPANIES RANKS NO.1 THIRD YEAR IN A ROW**  
*Premier Recruitment Firm in San Diego Business Journal's 2007 Book of Lists*

**SAN DIEGO**—For the third consecutive year, The Eastridge Group of Staffing Companies ranks No.1 in the local Staffing Services industry. Headquartered in San Diego, with nine offices in California alone and a total of 18 locations nationwide, Eastridge has provided staffing services for more than 35 years, including contract, direct-hire and consulting in 14 specialized divisions.

“What sets Eastridge apart is its dedication to each candidate and client we partner with,” says Robert Svet, Founder and Chairman of Eastridge. “Our relationship-driven approach to business yields representatives that are both personable and accessible—this gives Eastridge an approachable, boutique feel.”

In addition to client and candidate dedication, Svet says Eastridge is devoted to its core values, which essentially drive the company in everything that it does. “Our dedication to creativity, integrity, communication, commitment and delivering our best to each business relationship, along with our seasoned and passionate staff, unifies each division of Eastridge to provide distinguishing service,” says Svet.

Founded in 1971, The Eastridge Group of Staffing Companies has 14 specialty divisions each focused on a specific trade, industry or niche. Clients and candidates are represented in several areas, including administrative; human resources; accounting; technology; telecommunications; construction; light industrial; pharmacy; medical; legal; and gaming.

The San Diego Business Journal publishes its Book of Lists annually and has done so for 20 years. As a resource, it is a popular reference tool for consumers and businesses alike, and has received awards for accuracy from the Society of American Business Editors and Writers.
